SENATE BILL

No. 118

Introduced by Senator Yee

January 20, 2011

An act to add Section 12427 to the Government Code, relating to state government.

LEGISLATIVE COUNSEL'S DIGEST

SB 118, as amended, Yee. State Controller's Office: reimbursement for expenses.

Existing law establishes the State Controller's Office and requires the Controller to, among other duties, account for scheduled expenditures and report monthly on revenue and each department's expenditures. Existing law provides for the means by which the Controller is reimbursed for actual expenses incurred in the administering or review of certain loans, assuring state general obligation bond compliance, and other related and necessary services.

This bill would require each state agency to reimburse the Controller for the costs associated with the accounting of expenditures related to ~~the issuance and sale of revenue bonds, as specified. The bill would authorize the Controller to recover the costs by direct transfer from the responsible agency.~~ *The bill would require the Controller to invoice the state agency, as specified, and require the state agency to pay the undisputed invoice.*

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:
